RE: A Sharper Image Janitorial Service

Dear Mr. Sills:

I wanted to reach out and thank you for your assistance with our offices over the past month. As you are aware, FTN Associates, Ltd. corporate headquarters in Little Rock were badly damaged by the March 31st tornado that affected the area. FTN had to make a very quick move to a temporary office space to resume operations. Your ability to jump in and get set up to help us made the transition much easier. We really appreciate the help.

FTN appreciates the hard work and attention to detail your staff always employees at our facility.

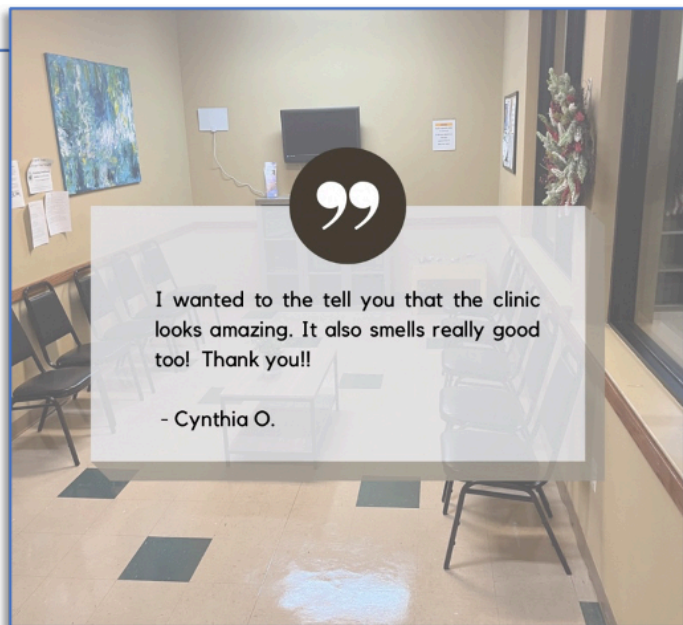

Respectfully submitted,
FTN ASSOCIATES, LTD.

Recently received services for floor stripping and waxing at War Memorial.

Work was outstanding, went above and beyond, exceeded all expectations, and will continue with them to provide services for all janitorial needs at the stadium. Prompt, responsible caring personal that is a pleasure to work with.

Highly recommended for anyone that needs janitorial services.
